The Big Push and CryptoChicks

Present:

Blockchain for Your Organization

SPONSORSHIP PACKAGE

Date

June 28, 2018 at 6.30pm

Location

Mercer Canada
120 Bremner Blvd
Toronto, ON M5J 0A1

Feature

Join moderator [Alexandra Posadzki](#) of [The Globe and Mail](#) as she interviews subject matter experts on the topic.

Learn:

- The basics of blockchain technology
- How to apply it to your organization. Perks and pitfalls.
- How to incorporate cryptocurrencies into your business.
- Plus, the learning curve for your staff.

After the panel discussion, there will be one-on-one break-out consultations with subject matter experts from [The Blockchain Research Institute](#) and other leading experts to help determine whether blockchain technology is right for your organization.

About

Blockchain for Your organization geared towards executives who are trying to figure out where Blockchain technology might fit within their organization. We expect 200 attendees

Attendees

- Startups and large organizations
- C-Suite Executives
- Managing Partners
- Anyone with an interest in Blockchain technology

About the organizers

CryptoChicks is a non for profit blockchain educational international hub with a female focus. We bring blockchain technology education to business and technical audience through our events, workshops and online programs.

<https://cryptochicks.ca>

The Big Push is a women-led business accelerator that gets women entrepreneurs investment ready using a service for equity model. We provide hands-on support, access to a large network and diverse talent pool along with capital support and fundraising.
